

## REMARKS

### NEW CLAIMS

In this preliminary amendment new claims 30 and 31 were added. The new claims are fully supported by the patent application as originally filed.

### DRAWINGS

In this preliminary amendment, a proposed change has been made to FIG. 9 to correct an informality in the cross-hatching of a portion of element 70. Applicants have attached a replacement sheet for the Examiner's review and approval and an annotated sheet showing the proposed change.

### CONCLUSION

Prompt and favorable consideration of this preliminary amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: 9-24-03
